## MEMORANDUM

**TO:** Council Members

**FROM:** Terry Morlan

**SUBJECT:** Discussion with Bill Drummond

Bill Drummond, the manager of the Western Montana Generating and Transmission Cooperative, will visit with the Council at the Missoula meeting. Bill has been active in the regional power industry for many years including working at the Idaho PUC and as Executive Director of the Public Power Council. He is very active in Bonneville proceedings such as the Regional Dialogue and other policy initiatives. Recently he has served on the Northwest Energy Efficiency Taskforce and particularly has focused on the role and structure of the Regional Technical Forum.

His meeting with the Council offers a chance for Council members to explore issues relating to Bonneville and its public power customers.
