## MEMORANDUM

**TO:** Council Members

**FROM:** Terry Morlan

**SUBJECT:** Comment Letter to Bonneville on its Post-2011 Efficiency Program

The Council heard a presentation by Mike Weedall in Missoula about Bonneville's proposed post-2011 efficiency program. The proposal is out for public comment until February 14<sup>th</sup>.

Staff drafted a proposed comment letter and circulated it among Council members on January 20<sup>th</sup>. We have received comments from some Council members and state staff and are working on how to incorporate concerns into an acceptable letter to Bonneville.

Proposed changes likely will be circulated by Council members and staff ahead of the meeting to see if we can reach substantial agreement before the meeting. However, a discussion of the issues and the letter will likely be needed in the Power Committee and full Council meetings so agenda items remain on this topic for both meetings.

Hopefully the Power Committee will be able to recommend a letter to the full Council for approval.
