## MEMORANDUM

**TO:** Fish and Wildlife Committee

**FROM:** Staff

**SUBJECT:** Discussion of programmatic issues associated with the RM&E/Artificial Production "B-List"

Staff will continue discussion with the Fish and Wildlife Committee on programmatic issues related to the B-list of projects. The programmatic issues include habitat effectiveness, coded-wire tags, white sturgeon, lamprey, ocean projects and more. The draft rolling decision document and draft project recommendations for the B-list projects will be sent to committee members several days ahead of the May Council meeting.

While no decisions will be made by the committee at the May Council meeting, the discussion of potential resolutions of these issues should help inform the decision at the May 24<sup>th</sup> special committee meeting.
