## MEMORANDUM

**TO:** Power Committee

**FROM:** Massoud Jourabchi

**SUBJECT:** Renewal of Natural Gas Advisory Committee Charter

Staff will ask the Council to approve the renewal of the Natural Gas Advisory Committee (NGAC) charter. The current charter expired last year. The NGAC will be valuable in the ongoing review of the Power Plan fuel price assumptions.

A decision memorandum is included in the Council packet to authorize renewal of the NGAC and to appoint myself as Chair and Terry Morlan as Vice-Chair of the committee. A copy of the charter and a draft list of the members are attached to the decision memo. If the Council approves renewal of the NGAC staff will reaffirm interest on the part of the current members and adjust the committee accordingly.
