MEMORANDUM

TO: Power Committee

FROM: Terry Morlan

SUBJECT: Utility Planning Panel

The first agenda item for the August Power Committee meeting is a panel including two Spokane area utilities. Kris Mikkelsen, CEO of Inland Power and Light, and Clint Kalich, Manager of Resource Planning and Power Supply Analysis for Avista will describe planning challenges and results for their utilities. The perspectives of an investor-owned utility and a customer-owned utility, primarily dependent on Bonneville Power, will provide an interesting comparison.
