MEMORANDUM

TO: Fish and Wildlife Committee members

FROM: Lynn Palensky

SUBJECT: Update on Category reviews for Resident Fish/blocked areas, Data Management, and Program Coordination Projects

The proposals for the Resident Fish, Data Management, and Program Coordination work are due at midnight, November 30. A handful of specific proposals may be submitted late in early December due to weather-related reasons. Project presentations to the ISRP are scheduled for January 17-19. At the meeting, staff will provide a full update on the progress of the review and next steps. Information related to this review can be found at www.nwcouncil.org/fw/budget/2013.
