**SUBJECT:** Discussion of Mid-Term Assessment Draft Report

On December 20, 2012, the Council voted to release the draft report for the Sixth Power Plan Mid-Term Assessment. The draft report was then circulated to the region's stakeholders and the public for review and comment. The draft report is posted on the Council website at [www.nwcouncil.org/library/report.asp?docid=723](http://www.nwcouncil.org/library/report.asp?docid=723) Comments are due by January 31, 2013.

During the Committee meeting on Tuesday, January 15, 2013, I will summarize feedback that staff has received so far on the draft report. There will also be an opportunity for the Committee members to share input that they have received to date, and to discuss possible areas for updates or edits to the report.
