MEMORANDUM

TO: Power Committee

FROM: Charlie Black and Michael Schilmoeller

SUBJECT: RPM Review Panel Report: Staff Progress on Recommendations

At the January 15, 2013, Power Committee meeting, an independent panel of experts presented the results of their evaluation of the Council's Regional Portfolio Model. The panel's recommendations include:

- developing an improved process for communications about the model and its use
- enhancing the model software
- adding staffing support for the model

At the March Power Committee meeting, staff will provide a briefing on steps to implement these recommendations. Staff will also ask for any guidance the Committee wishes to provide at this early stage of the effort.
