MEMORANDUM

TO: Power Committee

FROM: Charlie Grist

SUBJECT: End Use Load Forum Status Report

In January, the Power Committee gave the go ahead to convene and chair a forum to focus regional attention on the need to update end use load profile data. The purpose of a forum would be to gauge the level of regional interest in implementing a collaborative effort to refresh the region's end use data. Staff will give a brief update on initial progress working with Bonneville, PNUCC and others to organize the forum.
