## MEMORANDUM

**TO:** Council Members

**FROM:** Terry Morlan

**SUBJECT:** Review of Draft Sixth Power Plan

This agenda item is another opportunity for Council members to provide comments and guidance on the draft Sixth Power Plan chapters. A clean copy of the chapters in their current status is included with this packet, but separately bound.

A memo is attached summarizing the status of each chapter. Many chapters continue to be revised as the Council and advisory committees work through issues that have been raised. A version of the draft plan chapters in revision mode (redlined) will be sent to Council members on Monday as an electronic document.
